Windsor, CO 80550-9997

Dear Toni Castiglioni:

Congratulations! It is the decision of the Women's Business Enterprise Council - West Certification Committee to grant certification to Aggregate Logistics, LLC.

To obtain your WBENC Women's Business Enterprise (WBE) Certificate, please follow the instructions below:

1. Go to https://wbec-west.wbenclink.org
2. Log into your account with your username and password
    - If you are a first-time user of WBENCLink2.0, please enter the owner's email address as the username, and click "Forgot Password"
    - A password change link will be sent to the owner's email address. The link will be valid for 30 minutes from when it's generated. If you're unable to access the email before it expires, you'll need to request a new password.
3. On the left navigation menu, click View >> My Certifications
4. Under the "Current Certifications" section, click on "View" next to the Women's Business Enterprise (WBE) certification
5. Click "View as PDF" at the bottom of the page under the "Letters & Certificates" section

NOTE: If you have also applied for WOSB certification, a final determination will be rendered within thirty (30) days, as it is processed separately.

IMPORTANT! Please mark your calendar to begin the recertification process no less than ninety (90) days prior to your certificate's expiration date as recertification takes a minimum of sixty (60) days to process. You will receive a courtesy reminder 120 days prior to your expiration date. It is important to realize that once your certificate expires, our Corporate Members and other WBEs can no longer access your company's profile in WBENCLink2.0 for sourcing purposes.
