RE: Notice of WOSB Certification Granted

Toni Castiglioni
Aggregate Logistics, LLC
1824 Windfall Drive
Windsor, CO 80550-9997

Dear Toni Castiglioni:

Congratulations! It is the decision of the Women's Business Enterprise Council - West to grant WOSB certification to Aggregate Logistics, LLC. You may now log into WBENCLink to download a copy of your new WOSB certificate using the directions below.

To download your WBENC WOSB certificate:

- Go to https://wbec-west.wbenclink.org/
- Log into your account with your username and password
- On the left navigation menu, click View >> My Certifications
- Under the "Current Certifications" section, click on "View" next to the Women-Owned Small Business (WOSB) certification
- Click "View as PDF" at the bottom of the page under the "Letters & Certificates" section

In addition to being granted WOSB certification by WBENC, you must take the following SBA required steps to participate in the WOSB Federal Contracting (Set Aside) Program. Click here to determine if you are eligible for the program and need to proceed with the steps below. If the company is eligible for the program, please follow the steps below.

1. Submit your WBENC issued WOSB certificate to the SBA in the MySBA Certifications system.
    a. New WOSB Applicants
        i. Go to https://certifications.sba.gov/
        ii. Click Sign Up and follow the prompts.
            1. Use this link for detailed instructions: https://sbaone.atlassian.net/wiki/spaces/UCPUKB/overview
        iii. Once your certification is confirmed, you will receive a formal confirmation from the SBA.
        iv. Returning WOSB Applicants
            i. Companies granted the WOSB Certification through WBENC will also have to create an account at https://certifications.sba.gov/ to provide the most recent WOSB certificate issued before the SBA WOSB Regulation Expiration date listed on the WOSB Certificate.
            ii. This process should be completed within 60 days of the company's SBA WOSB Regulation Expiration date.

NOTE: The expiration date on your WOSB certificate corresponds to the expiration date on your current WBENC WBE certificate. To ensure that both remain current in WBENCLink, please submit your recertification application for both certificates no less than ninety (90) days prior to the expiration date. **TThe SBA grants a three-year WOSB certification. Please ensure you are following the steps that apply, either as a New or Returning WOSB Applicant.**

IMPORTANT: Your business must notify WBENC & the SBA of any material changes that could affect its eligibility in accordance with 13 CFR 127.401 within 30 days. This notification must be submitted via email to certifications@sba.gov and www.wbenclink.org (Material Change request). Your business must not misrepresent its WOSB Program certification status to any other party, including any local or State government contracting official or the Federal government or any of its contracting officials.

***If not eligible to participate in the set aside program, no additional action is needed.** For additional assistance with the SBA site, please email the SBA at certifications@sba.gov.

WBENC is committed to providing opportunities and resources to assist in the success of your business. We invite you to visit our website at https://www.wbenc.org/ to access a listing of educational webinars offered, and additional relevant information.

Sincerely,

Pamela S. Williamson, Ph.D.
President & CEO
Women's Business Enterprise Council-West
